Article 4 -

THE PERSONAL DATA WE RECEIVE AUTOMATICALLY:

Cookies: We may collect information from you through automatic tracking systems (such as information about your browsing preferences) as well as through information that you volunteer to us (such as information that you provide during a registration process or at other times while using the Website, as described above). For example, we use cookies to make your browsing experience easier and more intuitive: cookies are small strings of text used to store some information that may concern the user, his or her preferences or the device they are using to access the internet (such as a computer, tablet, or mobile phone). Cookies are mainly used to adapt the operation of the site to your expectations, offering a more personalized browsing experience and memorizing the choices you made previously. A cookie consists of a reduced set of data transferred to your browser from a web server and it can only be read by the server that made the transfer. This is not executable code and does not transmit viruses. Cookies do not record or store any Personal Data. If you want, you can prevent the use of cookies, but then you may not be able to use our Website as we intend. To proceed without changing the options related to cookies, simply continue to use our Website. Technical cookies: Technical cookies, which can also sometimes be called HTML cookies, are used for navigation and to facilitate your access to and use of the site. They are necessary for the transmission of communications on the network or to supply services requested by you. The use of technical cookies allows the safe and efficient use of the site. You can manage or request the general deactivation or cancelation of cookies through your browser. If you do this though, please be advised this action might slow down or prevent access to some parts of the site. Cookies may also be retransmitted by an analytics or statistics provider to collect aggregated information on the number of users and how they visit the Website. These are also considered technical cookies when they operate as described. Temporary session cookies are deleted automatically at the end of the browsing session - these are mostly used to identify you and ensure that you don't have to log in each time - whereas permanent cookies remain active longer than just one particular session. Third-party cookies: We may also utilize third-party cookies, which are cookies sent by a third-party to your computer. Permanent cookies are often third-party cookies. The majority of third-party cookies consist of tracking cookies used to identify online behavior, understand interests and then customize advertising for users. Third-party analytical cookies may also be installed. They are sent from the domains of the aforementioned third parties external to the site. Third-party analytical cookies are used to detect information on user behavior on our Website. This place

anonymously, in order to monitor the performance and improve the usability of the site. Third-party profiling cookies are used to create profiles relating to users, in order to propose advertising in line with the choices expressed by the users themselves. Profiling cookies: We may also use profiling cookies, which are those that create profiles related to the user and are used in order to send advertising to the user's browser. When these types of cookies are used, we will receive your explicit consent. Support in configuring your browser: You can manage cookies through the settings of your browser on your device. However, deleting cookies from your browser may remove the preferences you have set for this Website. For further information and support, you can also visit the specific help page of the web browser you are using:

- Internet Explorer: <http://windows.microsoft.com/en-us/windows-vista/block-orallow-cookies>
- Firefox: <https://support.mozilla.org/en-us/kb/enable-and-disable-cookieswebsite-preferences>

- Chrome: <https://support.google.com/accounts/answer/61416?hl=en>
- Opera: <http://www.opera.com/help/tutorials/security/cookies/> Log Data: Like all websites and mobile applications, this Website also makes use of log files that store automatic information collected during user visits. The different types of log data could be as follows:
 - internet protocol (IP) address;
 - Type of browser and device parameters used to connect to the Website;
 - Name of the Internet Service Provider (ISP);
 - Date and time of visit;
 - Web page of origin of the user (referral) and exit;
- Possibly the number of clicks. The aforementioned information is processed in an automated form and collected in an exclusively aggregated manner in order to verify the correct functioning of the site, and for security reasons. This information will be processed according to the legitimate interests of the Data Controller. For security purposes (spam filters, firewalls, virus detection), the automatically recorded data may also possibly include Personal Data such as IP address, which could be used, in accordance with applicable laws, in order to block attempts at damage to the Website or damage to other users, or in the case of harmful activities or crime. Such data are never used for the identification or profiling of the user, but only for the protection of the Website and our users. Such information will be treated according to the legitimate interests of the Data Controller.

Article 5 -

THIRD PARTIES: We may utilize third-party service providers ("Third-Party Service Providers"), from time to time or all the time, to help us with our Website, and to help serve you.

- We may use Third-Party Service Providers to assist with information storage (such as cloud storage).
- Payment information, credit card transactions.
- Analytics, product tracking and marketing platforms, communication platforms and contractors to process data.
- Logistics and operations technology platforms and system to transmit order and other information within our supply chain.
- Warehouse, distribution, and freight companies to fulfill and deliver orders to you.
- We may provide some of your Personal Data to Third-Party Service Providers in order to help us track usage data, such as referral websites, dates and times of page requests, etc. We use this information to understand patterns of usage of, and to improve, the Website.
- We may use Third-Party Service Providers to host the Website. In this instance, the Third-Party Service Provider will have access to your Personal Data.
- We may use Third-Party Service Providers to fulfill orders in relation to the Website.
- We may allow third parties to advertise on the Website. These third parties may use cookies in connection with their advertisements (see the "Cookies" clause in this Privacy Policy).
- We only share your Personal Data with a Third-Party Service Provider if that provider agrees to our privacy standards as set out in this Privacy Policy. Your Personal Data will not be sold or otherwise transferred to other third parties without your approval. Notwithstanding the other provisions of this Privacy Policy, we may provide your Personal Data to a third party or to third parties in order to protect the rights, property or safety, of us, our customers or third parties, or as otherwise required by law. We will not knowingly share your Personal Data with any third parties other than in accordance with this Privacy Policy. If your Personal Data might be provided to a third party in a manner that is other than as explained in this Privacy Policy, you will be notified. You will also have the opportunity to request that we not share that information. In general, you may request that we do not share your Personal Data with third parties. Please contact us via email, if so. Please be advised that you may lose access to certain services that we rely on third-party providers for.

APP Privacy Policy:

Welcome to Care.Life! This Privacy Policy governs the manner in which Care.Life collects, uses, maintains, and discloses information collected from users (referred to as "Customers," "Residents," or "you") of the Care.Life platform. This Privacy Policy applies to the Care.Life website, mobile application, and any related services (collectively, the "Platform").

1. Information We Collect

1.1 Personally Identifiable Customer Information Care.Life takes the privacy and security of your personally identifiable information seriously. We collect and process Customer Information in accordance with all applicable data protection laws and regulations pertaining to the protection of personally identifiable information. Customer Information may include names, contact details, and any other information provided by Customers during registration or usage of the Platform.

1.2 Consent Forms and Resident Monitoring As part of the agreement with Care.Life, Customers agree to have all Residents sign a consent form allowing monitoring. If a Resident chooses not to sign a consent form, Customers are required to notify Care.Life

promptly. By providing consent, Residents acknowledge and agree to the collection and monitoring of their data as outlined in this Privacy Policy.

2. How We Use Customer Information

Care.Life may use Customer Information for the following purposes:

2.1 Product Development and Improvements We may use Customer Information internally for the purposes of product development, service enhancement, and to improve the overall user experience of the Platform.

2.2 Communication We may use Customer Information to communicate with you, including responding to inquiries, providing important updates or information related to the Platform, and sending promotional materials.

3. How We Protect Customer Information

3.1 Data Security Care.Life employs reasonable and appropriate security measures to safeguard Customer Information from unauthorized access, disclosure, alteration, or destruction. These measures may include encryption, secure socket layer (SSL) technology, access controls, and regular security reviews.

3.2 Data Retention We will retain Customer Information for as long as necessary to fulfill the purposes outlined in this Privacy Policy unless a longer retention period is needed or allowed by law.

4. Disclosure of Customer Information

4.1 Third-Party Service Providers Care.Life may share Customer Information with trusted third-party service providers who help us in operating the Platform or conducting our business. These third-party service providers are contractually bound to keep the confidentiality and security of Customer Information.

4.2 Legal Compliance and Protection Care.Life may show Customer Information if needed to do so by law or in response to valid requests from public authorities. We may also disclose Customer Information when we believe disclosure is necessary to protect our rights, privacy, safety, or property, or that of others, or to prevent or investigate potential wrongdoing.

5. Updates to Privacy Policy

Care.Life reserves the right to update this Privacy Policy at any time. Any changes to the policy will be reflected on this page with the updated "Last Updated" date. We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your information.
